

# The University of Kansas Cancer Center Accelerate Cancer Education (ACE) Summer Research Experience Program

We need 10 students who are excited to learn about cancer research! The University of Kansas Cancer Center's ACE program provides students:

- ✓ A rewarding, immersive experience
- ✓ Development in leadership and interpersonal skills
- ✓ One-on-one mentoring

Students also receive transportation to the University of Kansas Medical Center, daily lunch stipend and \$1,000 stipend upon program completion.

## Students must:

- Be at least 16 years of age as of June 1, 2020.
- Currently be a sophomore, junior or senior at a high school located in Wyandotte County, KS, or Jackson County, MO.
- Be available to work 9 a.m.-3 p.m., Monday-Friday. Program begins Monday, June 1, and concludes on Friday, July 10, with a poster forum. Students will be off on Friday, July 3.
- Attend multicultural event.
- Be legally eligible to work in the U.S.
- Have at least a 3.0 GPA.
- Be an underrepresented minority: The following racial and ethnic groups have been shown to be underrepresented in biomedical research: Blacks or African Americans, Hispanics or Latinos, American Indians or Alaska Natives, Native Hawaiians and other Pacific Islanders.

## Interested?

Apply by Monday, March 23, 2020: <http://bit.ly/Apply2ACE>

You must provide a personal statement stating why you are applying to the program.

A letter of reference from a school teacher, guidance counselor or administrator must be emailed to [lharlan-williams@kumc.edu](mailto:lharlan-williams@kumc.edu).
